Good afternoon,

Attached is a copy of the Department of the Army Permit for the subject project. Please sign the attached permit and return a copy to me electronically for countersignature. Please note the requirement to sign and return the receipt voucher page at the end of the permit form to our office along with the required check. You do not need to send a hard copy of the signed permit to the office. I will return the fully executed permit to you electronically. Please let me know if you have any questions.

Thank you,

Alyssa Barkley
